25X1

25X1

1. Two trains carrying Soviet tanks and rocket projectors were seen moving from Pleven to Vratsa during the week ending 8 July. According to local rumor, the trains were destined for Vidin. No troops were on the trains.
2. Air raid protection measures, which have improved during the past few months, have suddenly been intensified.
3. Many Soviets dressed in Bulgarian uniforms have recently been brought into the Kyustendil area.
4. The call-up of reservists continues, on an unknown scale. (In this connection, [REDACTED] this is perhaps only a test of machinery for full-scale mobilization.)
